Re: *United States v. Gina Guy*, case no. 24-mj- 2386-UA
Unopposed Letter Motion Requesting Modification of Pretrial
Release Order

Dear Judge Cave,

I am herein requesting a modification of a condition relating to Ms. Guy's original pretrial release order issued on June 25, 2024 [DE4], to wit: that Ms. Guy receive mental health counseling. Pretrial Services in the District of New Jersey can refer Ms. Guy for such treatment but will need to have a mental health treatment condition added to her existing bail conditions in order for Pretrial Services to cover the cost of the services (since Ms. Guy has no insurance of her own at this time). The added condition should read as follows: "Mental health evaluation/treatment as directed by Pretrial Services".

I have conferred with Assistant United States Attorneys Diarra Guthrie and she indicated no objection to Ms. Guy receiving mental health treatment. In all other respects, Ms. Guy's conditions of pretrial release will remain the same.

Sincerely,

A handwritten signature in blue ink, appearing to be 'William Castro', written over a horizontal line.
